

## LACK OF LIFE.

When the pulse beats feebly when the energy is gone when the body is in a condition of actual "low life," no matter what the cause may have been Nature has given way and unless her strength is restored disease is certain to take possession of the body. The first thing any doctor does in such a case is to assist Nature. Here are some instances:

Prof. Austin Flint, of Bellevue (New York) College, says: "The judicious use of alcohol is almost a necessity in the treatment of disease, and the last thing a doctor should do is to assist Nature."

The celebrated J. M. Carnwell says: "I am most happy to say, after a very thorough test, that for persons suffering with nervous and general debility or any wasting disease, or for delicate persons or invalids, Duffy's Pure Malt Scotch Whisky is the best tonic and purest stimulant with which I am acquainted."

There are no higher scientific authorities than these and their speech is convincing. Beware of all bottled whiskeys which may be offered you, except Duffy's. It has stood the test of time and is absolutely pure.

The thermometer at Schnepf's drug store, Opera House corner, yesterday, registered as follows:

7 a. m. Maximum 48 8 p. m. Minimum 42  
10 a. m. Minimum 45 12 m. Minimum 40  
12 m. Minimum 40 1 p. m. Minimum 40

**Weather Indications.**

WASHINGTON, D. C., April 17.—For Western Pennsylvania and West Virginia, fair, warmer, except in western Pennsylvania, stationary temperature, easterly winds.

**The New Tobacco Factory.**

Mr. Howard Wilkinson, ex-clerk of the City Water Board, has been chosen by the stockholders of the West Virginia Tobacco Company as secretary of the company. The choice is a good one, and adds another to the many advantages which the company enjoys in its inception. It is expected that the product of this corporation's factory will be on the market before the week ends.

**A New Boat in These Waters.**

The Louis A. Shirley will not appear here at her regular time, to-morrow. The Bonanza, the big side-wheel steamer, has been put in the water at Shirley's place. Since the Shirley got to running through to Pittsburgh, she has proven to be neither fast enough for her trip nor big enough for the freight offered. Accordingly the Bonanza will go up Friday, and pass down enroute from Pittsburgh to Cincinnati at 7 a. m. on Sunday.

## LOCAL BRIEVITIES.

Matters of Minor Moment in and About the City.

**THE GRAND** this evening—"My Gertrude."

The painters and paper hangers have all the business they can attend to now.

There was not a case in the Police Court yesterday, the first time in a long while.

**MAYOR RISTEL**, of the Opera House, has Kiraly's "Water Queen" booked for an early date.

**ALEX. BENOIT**, foreman of the Atlantic engine, has resigned, and Paul Porter has been appointed to the vacancy by Chief Dunning.

**A MAN** in a West Virginia town, says the Lowell Mass. Courier, "goes about with a hand cart selling daily newspapers. He must be the Wheeling INTELLIGENCER."

**GEORGE HESS** has been run off in Fulton, and Mr. Hess was thrown to the ground, but fortunately escaped injury, and the horse was stopped before any damage was done.

The old, top-heavy gas lamp at the south end of the City Building was taken down yesterday, and a new and brilliant patent burner was put up in its place as an experiment.

**ANOTHER** lost boy was brought to the Niagara engine house yesterday afternoon, and kept there several hours before his parents found him. It is a good idea to label children of a roving disposition.

**THOMAS HIGGINS** died at Wellburg recently from blood poison caused by a slight scratch on his hand. He was on the street the day he died, seemingly in good health. His funeral took place yesterday.

There will be a musical and literary entertainment given under the auspices of the Woman's Relief Corps, at G. A. R. hall, this evening, commencing at 8 o'clock. The best amateur talent of the city will take part.

The strike of the Stoneasons' Union No. 2, to compel the employers to pay the toll of workmen who go to the island, was settled yesterday, the employers agreeing to stand this five cents a day or so extra.

**CLARK HOOK** yesterday admitted to record two deeds of trust, and a deed made April 16 by Thomas Prince and wife to O. E. Donaldson, in consideration of \$200, for the south half of lot 23 in George Ziller's addition to the island.

**A PENNSYLVANIA** oil man, Mr. Philip Hays, has informed the faculty of Bethany College that each chair may be added to the institution at his expense. It will be added next year and will probably be called "The Chair of New Testament Theology."

On Tuesday a passenger and freight train collided at the foot of Twenty-fifth street, on the Ohio River road. Both trains were backing and they came together with great force. Three freight cars and the baggage car were wrecked, but no one was injured.

The excellent programme, published yesterday, for the celebration of the centennial of the Young Men's Christian Association building at 8 o'clock this evening, will doubtless attract a very large attendance. Each member of the association has the privilege of being accompanied by a lady.

**A FART** was made on the Baltimore and Ohio from Norfolk to Baltimore Sunday afternoon, a distance of 104 miles. The train was a special bearing the American Opera Company. It was hauled by engine 750, John May engineer, and was in charge of Conductor William H. Smith. The trip was made in two hours and twenty-eight minutes.

**ABOUT PEOPLE.**

Mr. and Mrs. M. J. Lantz, of Wise, Va., are at the Windsor.

P. A. Boyce, of Rowlesburg, was at the McClure house yesterday.

Mr. G. E. McKinney, of Hebron, this State, is registered at the Stanton.

Rev. F. C. Haimann, of Newburg, was amongst the guests at the Stanton yesterday.

Mrs. Maude Melano, of Toronto, Canada, is the guest of Miss Maude Eccles.

Mr. and Mrs. C. A. Weaver, of Mountville, were at the McClure yesterday.

Mr. W. J. Robinson, General Passenger Agent of the Ohio River railroad, was up yesterday.

Mrs. I. K. Ratcliff and Miss Annie Ratcliff, of Mt. Pleasant, Ohio, were at the Hotel Windsor yesterday.

Prof. John A. Myers, of the Government Experimental Agricultural station at Morgantown, is at the McClure house.

Mr. Karl A. Miller, of Pittsburgh, spent last evening here with friends, who always have a warm welcome for him.

Dr. C. F. Ulrich is making arrangements to go abroad this summer. He will be absent for three months, possibly longer, and will spend most of his time in Germany.

Mr. Richard Campbell left last evening for Washington City, where he assumes to-day his duties as private secretary and confidential clerk to Commissioner of Internal Revenue John W. Mason.

Miss O. McCullough and Albert Ritchey, of Dallas, Va., were united in marriage by Rev. Dr. McEachern, in the parlors of Hotel Main, last evening. They left for Wheeling this morning.—Washington, Pa., Journal.

**J. C. Lord** is free man.

J. C. Lord, indicted for forgery and swindling, was to have been tried yesterday. It was alleged that he signed names to orders for trees, drew his commissions on the sales in cash, and left. When the case was called for trial the prosecuting witness and another witness, both of whom live in the city, had been recognized for their appearance here yesterday to testify, did not respond, and Col. Arnett, Lord's attorney, moved to dismiss him, which after mature consideration Judge Paul did.

**Preparing for the Pavement.**

The work of tearing up the old cobblestone pavement on Market street yesterday, was alleged that he signed names to orders for trees, drew his commissions on the sales in cash, and left. When the case was called for trial the prosecuting witness and another witness, both of whom live in the city, had been recognized for their appearance here yesterday to testify, did not respond, and Col. ## SANTARY CONVENTION.

A Profitable Sort of a Meeting Held Last Evening.

INTERESTING PAPERS READ

By Prominent Physicians and Others of the City and Vicinity—Learned Papers by Acknowledged Authorities, etc.

The sanitary convention held in the chamber of the Second Branch of Council last evening under the auspices of the State Board of Health, having been arranged for by Dr. George I. Garrison, the Health Officer of this city, and member of the State Board, was fairly well attended by both the profession and laity. The purpose for which the convention was held was to arouse an interest among the people in sanitation that should result in practical benefits. Such being the purpose it is to be regretted that the laity was not better represented. The papers which were read and the discussions that were had were all of interest, containing many practical ideas and suggestions that could not fail to be of benefit to all.

The convention was called to order by Dr. Garrison shortly after 8 o'clock. He called on Mayor Seabright to act as temporary chairman. The Mayor in taking the chair made a few general remarks to the effect that he trusted that some needful reforms might be inaugurated as a result of this convention, particularly in the matter of a better water supply. For permanent chairman Dr. Hazlett was nominated by Dr. Ulrich, and there being no other nominations Dr. Garrison read a paper relating to the matter of a better water supply. Dr. Hazlett to the chair. Dr. Hazlett after thanking the convention for the honor conferred, expressed his gratification at the interest being shown in sanitation, and his hope that the industry and fresh water of our country, and their necessity to human health; they are the medicines that nature supplies, and we are daily learning to appreciate more and more their efficacious properties.

Dr. Garrison read a paper relating to the importance of a pure water supply, and dwelling particularly on the impurity of the Ohio river water supply.

Mr. Oscar Seelye, who was to have read a paper on sanitary plumbing, was not present.

Dr. J. P. West, Health Officer of Belaire, treated of childhood diseases in his very entertaining paper; measles, whooping cough and diarrhoeal complaints were the specialties he addressed.

Dr. C. F. Ulrich, of this city, made a paper on the importance of a pure water supply, and dwelling particularly on the impurity of the Ohio river water supply.

Dr. Ulrich was made secretary on motion of Councilman A. C. Harrell. Superintendent Anderson of the schools, was the first gentleman called on to read a paper. His subject was "School Hygiene," and he handled it in a knowing and instructive manner. Dr. John Dickey was the next contributor, and in a most graceful and entertaining style he treated of the importance of a pure water supply, and dwelling particularly on the impurity of the Ohio river water supply.
